### The Story:

Been to this establishment in the past but first time since Lockdown chose Pixie after reading the reviews. I am glad I Did she has a quirky personality and a big G.O.T fan we chatted about that quite a lot. The service I had was OWO which I must say was one of the best I have had. The thing that sets Pixi apart from others she wants you to have a good time and makes sure you do. I liked that she is prepared to chat and listened even showed her my fav Hotel.
