Modern, well located flat, easy to find & easy parking. Flat itself was basic and very dark! Bathroom clean & good shower.

Hard to say as the flat was so dark! However, nice body and a pretty face.

The Story:

Arrived promptly and on time after receiving good instructions to find flat. Now...it's been a long time since my last visit to a working girl and obviously, things in the world have changed. So, i don't know if i was apprehensive or whether this was simply a bad punt. I'll assume it's a bit of both, hence the neutral listing. Greeting from Amber was pleasant enough, but I found her a bit cold throughout the time spent. Her fake moans were so obviously fake and she just seemed to be very much going through the motions, seemingly forgetting that she has a paying customer with her. Yes, we are all aware that the lady is just doing her job, but there are many ladies who are actually able to appear to have fun and a good time (& maybe actually do) and generally make the whole experience worth parting with the hard earned for. I've had very few bad punts and don't usually post when they've not been up to scratch, only posting the good ones. But, by posting bad punts hopefully the lady in question may raise her game in future. She has some fantastic reviews on AW, so maybe we either didn't click, she was burnt out after too much work, or i simply caught her on a bad day, or, those reviews weren't all entirely legitimate? Whatever it was, I won't be making a return visit.
