### The Premises:

Cheshire Elite is the newest and smartest parlour currently around in the area, though the waiting area is still not private enough.

Receptionist was helpful and friendly, but no drink offered.

Room was large, well furnished with En-suite shower and piled porn on tv!

### The Lady:

Elise is blonde, blue eyes and medium height.

Extremely attractive with nice full, natural breasts, fully shaven.

Speaks good English with an attractive accent (Hungarian, I think)

### The Story:

Elise has such glowing reviews I was afraid that I might be disappointed, as I was when I saw Elisha at Brooklyns, who I thought was over rated.

However, Elise lived up to the expectations, and more.

Nothing was too much trouble, she went out of her way to give me everything I wanted, e.g. fingers inside, missing including dfk, rimming, oral and reverse oral, nice massage etc.

I enjoyed all these so much we never got round to penetration, and finished with 69!

Elise even seemed disappointed about this!

I hope to see her again when possible to make up for this.
