Looking years younger than the 30 listed on the site, Foxy has beautiful, soft 32E tits, a seductive face with a raunchy smile, stylish hair, and a Bootylicious arse.

The Story:

Browsing Twitter over a year ago, I stumbled on photos of Foxy looking so raunchy I wanted to see her right away, only problem was, that Milton Keynes is 2 hours away from me. Whilst having gone with mates to nights out in cities, I've not stayed overnight on my own, on weekends out anywhere. Having no sex during Lockdown, I started saving up to treat myself to a weekend break to MK once it was lifted.

Making a booking to see Foxy a week in advance with a maid who was very helpful in giving directions to the location.

After freshening up, Foxy entered the room wearing a small green top and panties with suggestive wording on them, barely hiding the cream lingerie underneath them. Before I had the chance to finish saying hello, Foxy gave me a Deep French Kiss with her lush lips. Foxy's is so raunchy and such a good kisser, that we spent ages on the bed making out, as Foxy felt up my hard cock, and I rubbed Foxy's sexy booty and outstanding tits.

Guiding me to stand next to a mirror, Foxy performed exquisite oral without, with the smooth speed and depth Foxy went at making my cock throb. Wanting to return the favour, we got on the bed and went into 69. Foxy's pussy tasted so fresh and sweet, that I loved every moment licking it, with Foxy cumming hard from the oral, being a absolute pleasure to feel her fit body shudder. I then asked Foxy what position we should do, but Foxy had other ideas.

Standing up on top of the bed, Foxy bent her back and started giving me a blow job, whilst keeping her legs in the standing position! This is the first bj I've had that I found to be jaw-dropping, partly

due to how good Foxy performed, but also thanks to the incredible athletic ability on display!

Putting the condom on, Foxy suggested her going on top to start with. Starting with her riding my cock as I sucked her tits and we DFK, Foxy again surprised me, by doing 360 turns whilst continuing to ride my dick. Feeling like I was getting nearing to cumming, I asked Foxy if we could do doggy. Foxy put her sexy arse in the air, as I entered her wet pussy, and ending this unforgettable meeting with a hard orgasm.
