### Details of Service Provider:

### The Premises:

Ground floor of block of flats. Parking is a nightmare. Slightly unnerving area. Best to park round the corner. Room was crowded with odds and sods and yuigi board...lol. scary.

### The Lady:

She looks quite worn. Porcelain skin with plenty of tattoos and face tattoos. Nice lingerie with black stockings. Price reflects looks.

### The Story:

Comms was a bit sporadic but eventually managed to arrange a meet late at night. Was greeted at door and led into a room. Money exchanged and we started to strip whilst kissing. She started oral and it was at this point a toothless psycho entered the room and started kicking off. She said he was an ex husband. I promptly got dressed and left. I didn't want to get involved in a domestic.
