### The Lady:

pretty brunette in her early 30's, good English and smelt clean. Pics per AW profile.

### The Story:

Arranged meet via txt, given postcode and once parked the flat number.

When I met her, she was dressed in nice lingerie. Started off with gentle kissing, making my way down and removing her gear - she smelt nice and could tell she came out of shower minutes prior to meet. Very nice and considerate of her in particular due to the hot weather!

Moving onto OWO, which was top notch. Her lips were perfect. Had to ask her to pause every now and then, played with her soft boobs in between. For the final, decided to go for more OWO , since she was so sensual in the way she delivered, did that for good 10mins, on with cover and went for oral with and finished in condom. Such a powerful release, build up from months of lockdown!

Looking forward to seeing her and trying her other services.
