The Premises:

A house in Downside, Dunstable, Beds., near Blows Down and in the southern part of the town. the estate was a 1930s/1940s type, but it was quiet. the house itself was a bit messy but nothing out of the ordinary.

It was a quiet residential street, leading onto High Street South/A5.

The Lady:

Sophie is English, a BBW, white with blonde hair, and softly spoken. She has some arm tattoos, and roughly 40 years old. Her photos on her adultwork profile are accurate.

The Story:

I visited Sophie in the afternoon as I was passing through Dunstable. After finding the location, we largely did oral and then rimming.

The BJ was OWO and felt good, and after about twenty minutes of this, we went onto some rimming. I then asked her to finger my bum and she got me to prostate orgasm from it. We then went onto to some HJ and after that it was good, we just talked and took the time to chat about different stuff.

If you're into BBW, then check Sophie out. She's attentive and pleasant and worth it.
