The Premises:

A smart flat in the theatre district of MK - the door is on a corridor away from neighbours so quite private.

The Lady:

If you've not met these girls, you will get a very good idea of what they look like from the Annabellas site or from Twitter. What you won't see is that they are both very friendly, naughty, natural and a load of fun to be with!

Jamiee - Slender girl with perfect boobs, a pert bum, long dark hair and a gorgeous smile.

Ella - Fantastic boobs, a lovely round bum and a naughty look that tells you you're in for a really good time!

The Story:

I had met both Jamiee and Ella separately and had a great time with each. I'd even asked Jamiee about having a threesome and she said Ella would be fun so I booked in advance to make sure I got them both on the same day. When it came to the day, I rang to confirm and Annabellas had accidentally put them in two different locations... They were super apologetic and helpful about the whole thing though and a few minutes later, they'd moved things around and both girls were available together as planned. Great!

I arrived and Ella showed me in to the room. A few minutes later and I was greeted by both the girls looking stunning in their underwear. I told them that I wanted them to take charge, and they seemed pleased to do so! We exchanged kisses and even had a three way kiss which was amazing. Ella asked me to lie on my back and the two girls took in in turns, one kissing me and one giving me a blowjob. They then both went down on me, Jamiee with my cock in her mouth and Ella sucking on my balls.... bliss! The girls then took it in turns to sit on my face as the other carried on blowing me. I could have done this for hours!

Ella then laid down and told me to fuck her and told Jamiee to sit on her face. Fucking Ella which kissing Jamiee and those lovely boobs as Ella made her come was amazing. We then switched and I fucked Jamiee in doggy as she went down on Ella and made her come too. The site of this will live

with me for a long time! The girls then finished me with a combination of hands and mouths as I came on both of the girls' boobs.

This was such a memorable experience for me, my best yet with the Annabellas / HoD girls, partly because both the girls are so hot and partly because of how natural, enthusiastic and fun they both are. They made the experience so much fun, I had a silly grin on my face all day! I keep thinking back on it and now can't wait to do it again...
