The Premises:

HOD 3, the upstairs flat in Victoria. Pleasant and functional, no maid working just the two girls on duty (Ophelia & Chelsea).

It's perfectly clean and functional located on the first floor. Not my favourite as I have bumped into a punter leaving as I was being let in before but overall it's clean, discrete and safe.

Anyway you're not hear to read about property.

The Lady:

You can find her specifics on her HOD profile page and I cannot recommend enough giving her twitter a follow (@Oph3lia_) as Ophelia frequently posts jaw-dropping pictures of her incredible curves.

Overall though she is incredibly beautiful; slim yet somehow with enviable curves (hips, bum and breasts) and a number of unique tattoos along her arms which are of course edited out in pictures to protect her identity but even without them she is a work of art. Her bum in particular is incredible; it's truly a shame she has to sit on something so beautiful.

Of course you can't sample her incredible personality and other features; her deep soulful eyes, wonderful smile and amazing laugh, via a picture but she is a complete package of feminine perfection.

She clearly works hard via a combination of yoga and gym to maintain a body most women would kill for and most men would be unable to resist. It's difficult to put into words how beautiful, both physically and mentally, Ophelia is. Even her 'working name' is beautiful, original and inspiring much like her.

The Story:

Alright Ophelia, I promised you I'd do this so here it is.

I've now had the absolute pleasure of getting intimate with 'Ophelia' three times (including an incredible threesome with the equally outstanding 'Eden') and things seem to get better with every booking (something that Ophelia herself said during our latest booking).

This latest booking was genuinely on another level. I always look for the 'girlfriend experience' and this time was the most genuinely amazing time I've ever had with someone. I'm honestly struggling to put into words how good she made me feel; at times it genuinely felt like we were an actual couple with the laughter, intimacy, cuddling and general atmosphere.

I booked for a long session (90 mins) which started with lots of attention on Ophelia beginning with my favourite; reverse oral building to playing with a toy she had brought along at my request resulting in her experiencing 3 successive orgasms and turning the bed into a waterbed.

Then came my turn. unfortunately I had 'concluded' after only 45 mins (that's entirely your fault Ophelia; if you weren't so stupidly beautiful, sensual and all around perfect I would have lasted longer than 2 minutes. That's genuinely the first time that has ever happened to me which is something I'm sure every woman on earth had heard at some point!) however it's a real testament to how incredible a woman Ophelia is that the remaining 45 mins spent cuddling, talking, laughing etc was worth every penny and she did assure me that having made her cum hard 3 times earlier I was forgiven.

I've had some truly amazing experiences with the ladies of 'HOD' (and sadly a few less than stellar ones but the needle is firmly in the far more good than bad corner) however Ophelia (and Eden) really do stand out as the most incredible women I've ever been with.

Genuinely thank you Ophelia for being you. The worst part of booking you is having to leave however I always feel like I'm walking a few inches taller after having spent an incredible intimate experience with you.
