The Premises:

The text instructions were to go to a really modern building near Elverson Road DLR. I was then redirected to a nearby nail bar. It was very basic inside with a small bedroom.

The Lady:

A chinese girl between 28 to 35 year old. She was about a dress size 10 with lovely C cup natural breasts and prominent button nipples.

The Story:

This was my first punt since March. I decided on a massage/relief service, but it went further than that. The session began with a good back massage on a bed. It was firm and relaxing. I then received covered oral and then sex in two positions, missionary & doggy. Before the punt I washed my hands and put some hand gel on.
