A beautiful lady with a fantastic figure. Definitely a model

Toned and very natural, slightly tanned. Her breasts are absolute perfection and the rest of her....

Wow

The Story:

I've thought about seeing Andie before but never had the opportunity. I'm so glad I have now.

An unbelievable and quite frankly unforgettable experience. Her eagerness to please was evident from the moment she walked in and we met. I enjoyed every minute with her, but over far too quick. We had plenty to keep each other interested with, particularly in full length mirror. I don't think I have ever been that turned on!

Her girly moaning sounds were very seductive and her laughter with that smile was beautifully infectious.

I will definatley like to she her again, it just won't come quick enough for me.

I would be more than happy to help her develop her ambition x
