The Premises:

Clean modern flat, easily accessed. Excellent shower facility.

The Lady:

Alicia is very attractive in the photos, but much more so when you meet her. The same small slim frame, but a little softer in face and body. More sensual - in fact drop dead gorgeous. Shouldn't generalise, but I do like Romanians. Despite the photos, she doesn't play the piano.

The Story:

A warm if slightly reserved welcome on arrival and taken through to the bedroom. Offered a shower, which I always take if only to be polite. On return, a fairly vanilla first grope and it became clear that the advertised GFE did not include OWO or DFK which was slightly disappointing, but not for long. The RO was delightful and soon led to proper sex in various positions - all of which was absolutely wonderful. Finished with a long cool down, gently stroking each other.
