The Premises:

Nice easy place to find around Kettering road. About a 5 minute walk from the town centre. Room and bed is clean. Shower facilities in room so you can have a shower before and after session. Your temperature is taken when you arrive and hand sanitiser is available.

The Lady:

Tyler is a beautiful hot young girl who is 21. She always tries to make you feel more comfortable and calm when you see her. Which we she has done for me as the more the session goes on the calmer I feel. She does make me feel confident as I have a severe stammer and I think I have started to stammer less the more I have seen her.

The Story:

Each visit to Tyler is amazing , and this was no exception. The only negative is that an hour session only felt like 30 minutes. And it went by very quickly. That is how brilliant she is. Time flies by when you are having fun.

Much of our time shared involved deepthroat (which she is amazing at), missionary, kissing and doggy which she all does really well. Tyler responds to all of these amazingly.

Another fantastic session. I will definitely see her again.
