### The Premises:

A terraced house in a dilapidated road just off the High Street. The room was actually very clean and spacious.

### The Lady:

An East European girl in her mid 30s. The profile is about right, but there were visible signs she had given birth.

### The Story:

This was a bit of a last minute punt and it always is a lottery with this agency. The session went reasonably well with the highlight being the wonderful uncovered oral I received. I tried hard to come, but I needed a bit more so we had covered sex in doggy position. The other positive was Jessica being very friendly and not rushing me.
