The Premises:

Roses Retreat is a well known parlour and is very friendly and welcoming
Entrance is very discreet and parking is easy

The Lady:

As per her photos

Personally I found her facially very attractive with her dark hair tied up

Roxy has a great body with natural breasts with a naughty twinkle in her eyes and a cheeky smile

The Story:

So I popped over to Roses and was asked to wait in the room after using hand gel

3 ladies were available and each came in to introduce themselves and I chose Roxy mainly because of her cheeky smile and posh voice

She quickly reappeared and I commented on what a warm day it was

She replied that it was warm and immediately removed her skimpy panties first and unleashed her boobs until she stood in front of me in just her stockings

LOL as if those panties were going to make any difference :)

She came straight over and began with some DFK before allowing me to feast on those lovely boobs - her nipples quickly hardened

She stopped briefly to apply some lube to my fingers and with her encouragement I was told to have a play around "down below" as she returned to the DFK

Roxy was more than happy to let me insert 2 fingers and thumb her clit before she asked / no ordered me to stick them "up my arse" in her words

At the same time she asked if I wanted oral with or without as without was extra so I went for OWO

A first class blow job followed as I continued playing in her bum with 2 fingers - god she was tight and I felt my fingers being crushed - but she began rocking herself back and fore until I had both fingers full length inside and she encouraged me to plunge them in and out of her bum

A change of position meant she continued to tease my cock and balls with her mouth and tongue and was looking straight at me with those eyes before she announced " I specialise across the board so if you want to fuck my arse its extra but I enjoy it"

I replied that I'd like that if I was still hard enough

By now I was rock hard so on with the cover and she asked what position - I left it to her so she got into reverse cowgirl and started lowering herself down

To my great surprise she guided me balls deep up her arse and she let out a little squeal

She bounced around on top of me for quite some time before she said that she couldn't do this any longer

I enquired if she was ok and she said it was just that her legs had gone

So into doggy position where she guided me straight back up her arse

I gave her a proper anal pounding and she was well up for it until my legs went

Removed the cover and finished me off with her hand until I shot my load

As a nice touch she leant forward and cleaned the tip of my cock with her tongue :)

A nice chat whilst we took turns in the shower and also in reception on the way out

Roxy is happy for me to let you guys know she is pretty much up for everything including CIM and she will swallow !!! as well as seeing 2 guys at once (DP available)

So in summary a great punt with a friendly bubbly Northern lass (she didn't stop smiling all the time) who is prepared to put 110% into her service and likes to enjoy herself too
