### The Premises:

A Short walk from Victoria coach station, greeted on entrance by a lovely maid who will allocate your bedroom to you, and clean set up

### The Lady:

A very well posh looking french surprise- You get more to that addition- more like a vogue magazine cover girl meets lady gaga as you peel back those layers. Her pictures are fruity and out there and that matched with her gold, inviting lingerie- Wonderwomen style(Marvel), nice and arousing feel.

Body smooth as a baby, wide hips, round perky tits fully erect, no fat deposits-just toned out and good to hold.

...In all a rare find for me..

### The Story:

Nikki has great communication skills and adjusted to my demeanor comfortably. We broke the ice(talked) and then went onto foreplay- I wanted to receive quick wee lap dance as she has erotic energy gushing-so that felt amazing to say the least. Heard of the great french blow job? well that came too (OW) performed like a startlet from a brazzers set.

then i jumped on top, her legs around me as i layed it down, on to cowgirl- wildwest american style received and then doggy. Her energy was high- much appreciated! and she's definatly girlfriend like material.

I may of over worked her but thank you! I wish you the success you deserve in your artform
