The Premises:

The massage parlour is situated in Crawley Town Centre. A door tucked between a florists and a bank, leads to upstairs. The website and appearance of premises looks like it is a genuine massage / waxing treatment place, but I found a posting on UKPunting website from Jan 2020 which indicated otherwise.

The Lady:

Initially Tina was dressed in a black tunic with black cropped leggings and black shoes. She was very short, slim, about mid 30's with black hair. Through her broken English she was very polite and pleasant. Once undressed, she had small tits, with big nipples, pert arse and sporting a nice hairy pussy.

The Story:

You call a mobile number and book a time. On arrival, you buzz the intercom and are let in. A flight of stairs leads up to a landing with a series of rooms and a reception, it all looks very clean and professional. I was greeted by Tina, who was wearing a face mask. She confirmed how long and I said 1hr and paid £45. She then took my temperature and asked me to use hand sanitizer. I was then shown into a nicely kitted room with a massage table, small corner shower, hand basin, shelves with towels, oils and various other bits and pieces. This reflected the professional cover, and was beginning to doubt the review I had found.

Tina laid out some paper towel on the massage table and told me to undress, then she left. I took off everything and laid face down on the table waiting for her to return, which she did a few minutes later, knocking on the door first to check I was ready. When she entered, she locked the door, put on some gentle relaxing music and then pouring oil on my back, she began to give me a firm massage. She asked if I wanted it soft or hard, so I said soft.

She spent about 20 minutes focusing on my back, neck and arms, with frequent caresses of my arse cheeks. All this time she was still in uniform and had the face mask on. I was beginning to think that maybe this was going to be just a genuine massage, but the fact that she had not placed a towel over me and was fondling my arse, told me different. When she moved down to my legs, her

hands would run up the inside of my legs, giving my arse hole a oh so gentle wipe with a finger. I knew then that "extras" would be on offer, so I opened my legs a bit wider for her to play with my crack and sacks a bit more.

After a while I turned over and she asked if everything was OK. When I smiled and said "yes", she removed the face mask and asked if I wanted her to remove her clothes. I nodded and she asked "how much you pay?". I offered £40, but she asked for £50. In preparation, I had already brought extra cash, so I paid her the extra and got back on the table. She took off her clothes, matching underwear and giggled about how small her tits were. Yes, they were small, but firm, with nice nipples. She had a bit of a flabby belly, but still looked desirable. However, it was the nice bush of black pussy hair that I liked. I am very partial to hairy Asian pussy rather than the bald ones.

Smiling and giggling, she covered my front in oil and climbed on top, rubbing herself up and down. I ran my hands all over her body, fondling her tits, arse and rubbing my fingers over her pussy. She let me suck her nipples, which were quite sensitive for her. I asked if I could lick her pussy, and she turned around and promptly pressed her pussy against my face. It tasted a little bit tangy, but I licked her up as she was getting very wet. At the same time she was playing with my balls and giving my cock a nice hand rub.

I was getting a bit close to cumming, so I then asked her to lay on the table and massaged her front, giving her pussy another good licking. All the while she was tugging at my cock and rubbing it against her nipples. After several minutes of lapping her up, she told me to lay down and then preceded to wank me off, putting a finger gently up my arse hole. It was not long before I shot my load all over her hand. and she giggled about how much I had cum (I do cum a lot).

Tina went over to the basin to wash her hands and then got in the shower. When she had finished she offered me to take one, which I did as I was covered in oil. Whilst I showered, she got dressed and cleaned down the massage table.

I got dressed and she gave me a quick kiss, saying "You come again, soon. Ask for Tina, yes?" I nodded, then was escorted to the top of the stairs where she said her goodbyes.
