The Premises:

Parking is near the establishment, found a parking space easily and is free which is an added bonus. Inside the venue it is spotless, smells clean and fresh and showers are clean and well maintained, they have a push button to activate and save water.

The Lady:

The young lady is 27, around 5ft 4 in height, white with a lovely tan. Her photos don't do her justice at all! She is a must see and has an absolutely banging body which made me go weak at the knees, gorgeous soft skin, lovely silky hair and a great set of pins, her boobs are natural and so lovely, vagina lovely and shaven, her fingers and toenails were painted, she really looks after herself, guys this girl is amazing!! So easy to talk to and so down to earth, literally can't wait to see her again. So glad I done the 1 hour duration.

The Story:

So, was taken upstairs to the room where I got offered a drink to which I said yes. Got undressed and started my Hindu mantra's and prayers, always best to ask the divine great one for blessings over me and the young lady
