The Premises:

About a ten minute walk from Victoria tube station. Easy to find and at the less busy end of the street. Arrived 5 minutes early for the appointment and had a nice shower.

The Lady:

Ophelia is a gorgeous dark haired English 23 year old woman with a few old school tattoos and a slightly alternative look to her, which I love. She'd turn your head in the street if you saw her. Beautiful natural breasts, a shaved pussy and....THAT bum! You've seen the pictures on Twitter, now you have to see it in the flesh. It's fantastic. Really friendly girl who comes across as totally genuine and from my experience, really seems to love her job.

The Story:

After my shower, Ophelia came in the room at almost dead on 2 o'clock and asked me what I would like. I said OWO, 69 and sex and she said that would be fine. I touched her breasts and kissed them while she stroked my cock before getting in between my legs and started to give me some superb OWO. I asked her if she would kiss my cock and she did in the most sensual way. She then started sucking and kissing my balls without me having to ask her to. Always a good sign that it's going to be a good session. It wasn't long before we were in the 69 position. This was pure bliss and to have her lovely bu in my face was heaven and I couldn't resist kissing it. Then on with the condom and I started in the missionary position before Ophelia suggested we try doggy. This of course was lovely but it wasn't long before she was bouncing up and down on my cock. She said I had a lovely cock, which was pleasing for me to hear. It wasn't long before I was back on top and we had some really nice slow sex. As always with half an hour bookings, I sensed that time was running out so I pulled out and she sucked my cock again for a while and then I started wanking till I came on those gorgeous tits. After cleaning up and quickly putting my clothes on, I was out of the House of Divine premises at just gone half two with a big smile on my face.

I look forward to seeing Ophelia again very soon. A beautiful person with a genuine personality and is great fun to be with. Thanks for a great time Ophelia and I look forward to seeing you again very soon.....
