### The Premises:

About 5 minutes walk from underground with phone entry. Small flat but ediquate for purpose. Clean with nice shower facility.

### The Lady:

Looks exactly like in photos with slight difference. Very charming and friendly and funny. Very good vibes. Was dressed in red gown revealing ample cleavage and perfect booty.

### The Story:

Was offered shower which was taken as I had travelled in tube. Session started with kissing and soon came the gown off revealing handful soft breasts. She pulled my towel off and gave deep B J well sucked but wanted to reserve for main event. My turn to give her daty and made her come. Clapsed her legs in around my head in passionate orgasm. On came Johnny and fucked her in every position till came deep inside her. Hour went quick but she was no clock watcher. Showed her flat around. Finally left and I could see her still hanging on door blowing kisses. Very nice. Was over the moon.
