The Premises:

A clean flat in a 3 story block with a shower facility. It was located about a mile away from the station.

The Lady:

A busty, dark haired Bolivian girl. Her profile pictures are quite accurate. She was very friendly, but her English wasn't good.

The Story:

After an annoying problem with the buzzer by the ground floor door which didn't work followed by a few text messages before it clicked with Monicca the session was enjoyable. I started with a shower and when I returned to the bedroom I received very good uncovered oral sex. I tried hard to cum, but I never do with that alone. I didn't feel in the mood for full sex so I concentrated on Monicca's very firm and natural breasts. After sucking and playing with them I got on top and thrust between them before cumming on them.
