The Premises:

Not the usual place in Fenny Stratford, small block of flats with a discreet entrance. Great parking right outside was very cheap. Flat was the usual decor, nice and clean

The Lady:

Alex - tall gorgeous blonde, athletic figure with soft skin and great breasts, sparkling eyes and a big smile. Alex has a posh accent and oozes confidence and sex appeal. I would guess mid 20s.

Gia - slim, shoulder length dark hair, South American, small breasts and a great figure. I would guess late 20s.

April - young gorgeous Eastern European, black hair pert little breasts, tiny figure, and sexy little bum. Listed age of 21 probably correct.

All the girls have blurred photos online, they give you an idea of what to expect

The Story:

I originally booked Alex, Gia and Vanessa with Alex staring at 5 for 30 mins, Gia joining at 5.15 for 30 mins and Vanessa joining at 5.30 for 30 mins. This would give me time alone with 2 of the girls and 2 duo sessions in the hour.

I phoned in the morning on the day to confirm and was pleased to know all the girls were there. I haven't seen Alex or Gia before but have met Vanessa before (previously reviewed) and was looking forward to seeing her again.

Arrived a couple of minutes before and greeted by the maid who seemed a little unsure about the booking. She didn't seem clear about the timings and then told me Vanessa was at a different address! I had mixed feelings about this as she had been great when I met her previously but it gave me the opportunity to meet another new girl. The maid advised April and Kataleya were free and I decided on April who could take her place. She did apologise and offered me a drink.

I was shown into a room on the ground floor with a double bed and a sofa and waited for Alex. I

think the booking I made must have been lost in translation as Alex finally appeared just before 5:15.

Alex has lots of confidence and entered the room with a big smile and I immediately knew I had made a good choice. She apologised for the mix up and greeted me with a cuddle and some kisses. She has a gorgeous body and soft skin and was a great sight in red bra and panties and long blond hair. We carried on kissing for a while before she suggested we lose our clothes. We laid on the bed for some more kissing and allowed our hands to explore. I suggested I go down on her which she happily agreed. I had her stand at the end of the bed facing the wall and positioned myself lying on my back with my head by her legs and pulled her down to sit on my face. "This is new to me!" she laughed. She has a beautiful shaved pussy and smelt and taste great. She was making noises of appreciation but eventually had to stop due to the position she was in. I hadn't realised she was practically doing a wall squat! I said it's like a gym session and she told me she is a keen rower and often goes to the gym.

We laid back down on the bed and chatted for a while as she grabbed my cock and started to give me a wank. I played with her breasts as we chatted. I suddenly found myself getting excited and got her to stop but it was too late!! I joked it was a bit early but she laughed and said some are quicker!

A quick clean down and we lied back down on the bed for some more kissing and started chatting. Alex is so easy to talk to and we found we had a few things in common. The conversation flowed so easily right from the start.

At that point Gia entered the room and joined us on the bed. If Alex had so far been offering the perfect GFE Gia was about to mix things up with an almost PSE which I hadn't expected. She immediately started sucking my cock - She soon got it hard as I continued kissing Alex and my hands alternated from Alex's to Gia's bodies. Gia gave me an incredible noisy, sloppy deep throat BJ with lots of dirty talk thrown in. Alex continued to kiss me while I rubbed her pussy. It was hard to know which way to look!

Gia came up for some DFK whilst Alex wanked my cock and Gia asked me if I wanted to have her pussy. She put on the rubber and started to ride me cowgirl continuing the dirty talk, I carried on rubbing Alex's pussy and alternating kissing the girls and licking and sucking their nipples. Alex's hand were now fondling Gia's tits as she bounced hard up and down on my now rock solid cock.

The girls really seemed to be enjoying themselves and there was relaxed fun conversation going on between us throughout. I was just thinking things don't get any better than this when I walked April!

She grinned as she saw what was going on and came round the side of the bed and took off her bra and panties. Alex took her cue to leave and kissed me goodbye. It seemed so soon. Hopefully I will see her again sometime and get to fuck that sweet pussy.

Gia climbed off me and laid next to me where Alex had just been. We started to kiss and she grabbed my hand and guided some of my fingers into her wet pussy. April then started giving me head and was every bit as good at it as Gia.

I was as now absolutely rock hard and after a while April put another rubber on me and stood over me on the bed. It was an amazing sight. She squared down onto my cock and as I looked at her I realised how stunningly gorgeous she is. She enthusiastically bounced up and down. This went on for some time and eventually it was time for Gia to leave. We kissed goodbye and the girls kissed goodbye and I was left with the stunning April.

I was still rock hard and surprised I was still going strong.

For the next 20 minutes or so we carried on with cowgirl, more oral, doggy, missionary, cowgirl again, 69. Eventually time was up, I was loving fucking April, I told her I wished we could fuck all day. She said I could stay longer if I wanted and seemed to genuinely want it. I reached for my wallet and gave her an extra £60 for another 30 minutes. She quickly gave it to the maid and returned and climbed back on top. She loves cowgirl and spent most of the time in that position although she did give some more oral and we mixed up the positions. Reverse cowgirl with her leaning right back was a particular highlight for both of us. By now we were both hot and sweaty and it was evident I just wasn't going to cum. I was shattered from all the fucking. I suggested time was probably up and with that the maid knocked on the door to confirm it.

Time to go.

This review is quite long but the truth is there is so much I haven't added, the whole visit was even better than I had hoped, the dynamics from one girl being there to 2 girls, then changing when it was 2 different girls to when it was only 1. Each girl had their own personality and style, from GFE to PSE and back to GFE again. There were elements with April where it went from hard fucking to feeling like we were making love and back to fucking again.

There were lots of conversations with all the girls and some of the things we did which I will keep to ourselves.

P

Throughout the visit all three girls were engaging, funny, dirty, everything you would want.

It was a shame to miss out on Vanessa but I guess it turned out ok...
