The Premises:

Very easy incall in Earls Court, in a place I've been a few times in the past (good to know it's still there!). Apartment is nice and spacious inside, functional showers, clean towels and the rest of it. Safe and secure.

The Lady:

Adelia looks like her selfie picture more than the others on the website. They are certainly enhanced, but she really is that pretty to look at. She's a little larger in person, and has a fuller figure, but she's all woman. Nice big natural boobs, and incredibly sexy. She is polite, speaks excellent English and has many interests that she's keen to chat about. A lovely young woman that I would certainly recommend.

The Story:

I have been more than a little unsure about booking a girl during these times, but I finally crumbled. I figured that we all have to get on with our lives and just take as many precautions as we can, when we can. If it means that I'm going to go without sex for the rest of forever, then I'd rather risk it.

Adelia really put my mind at ease. She was welcoming and very kind. Showers and mouthwash and all the usual were there for me to use as soon as I arrived, and everything was very relaxed. It's not the best time to book when you're anxious, but my performance was still on form thankfully. With a woman like Adelia, it's pretty hard not to be turned on.

She was wearing a nice close fitting skirt with a split, and a loose blouse on the top. She has on a tasteful amount of makeup and had really made an effort. When she sat me down on the bed she took off her clothes nice and slowly to reveal she had no panties on. She has a nice full figure and her boobs are really nice, not droopy, but nice and natural. Felt lovely. She went down on me there at the edge of the bed and sucked nice and wet for a while, before I guided her up onto the bed and spread her legs. I grabbed a nice handful of her wobbly tits as she put the condom on and guided me in. It felt marvellous to be fucking again after so long. We went at it like this for a while, before turning over and going at it from behind with her face down in the pillow and my hands around her front cupping her massive tits.

She finished me off with her mouth and some more OWO, nice and sloppy. She did it from the side so I could play with her tits as she did it. I told her I was going to cum and she pulled off it and jerked me nice and slow until I came. She does offer CIM, but I didn't want to pay the extra.

Afterwards we had a lovely chat. She's an artist actually and has some of her paintings on show in her apartment if you're interested. She's also into astronomy and has studied symbology in the past too. A very creative, inquisitive young woman, with a great body. She's going to do well. Book her whilst she's in town.
