The Premises:

Nice one bedroom flat, which is a stones throw away from Bayswater tube station. The place was spotlessly clean. Had a nice bathroom with a decent shower. The bedroom had nice mood lighting and mirrors strategically placed next to the bed and on the ceiling so you got a nice view from different angles.

The Lady:

Jennifer is a very good looking Thai lady. Slim build, with large breasts. The photos of her on the site are accurate.

The Story:

Jennifer is a fantastic lover and eager to please. Great OWO with lots of gentle, ball licking and rimming. Sex in various positions and DFK provided. Jennifer has a nice, sweet pussy which is responsive when gently licked. And she has an assortment of toys that she is happy to use (if that is your thing). She also has great massage skills and I enjoyed the post-sex massage she gave using warm oil mixed with lavender. Very relaxing indeed.

On top of being good looking, having a sexy body and providing great sex. Jennifer also has a lovely, friendly, warm personality. I found her easy to talk to and her English was very good (far better than my Thai).

Jennifer is highly recommended and I am looking forward to visiting her again soon.
