The Premises:

Usual place in fenny Stratford was a very hot day room had a fan was.

The Lady:

Just as in the pictures very pretty perfect Brazilian body nice big ass and breasts. Very tall with heels on.

The Story:

I was greeted by the maid and had my temperature checked when entering then shown to a downstairs room not the nicest room prefer upstairs but good enough. I waited for Lara to enter not sure if she would be like the pictures! When she did arrive I was very glad I made the right choice as she is stunning I wanted a typical Brazilian woman and that's exactly what I got! Her body is perfect. She was wearing red underwear and heels I couldn't believe my luck.

I started to remove my clothes as did Lara she sat on the edge of the bed and grabbed my hard cock and started to suck on it whilst I was standing up. Was short but sweet bj. She then put on the condom and layed back and lifted her legs up inviting me on top how could I refuse! What a sight her pussy is very tidy and felt amazing to slide in and out of. After a few minutes Lara went on top squatting on to my cock I couldn't believe a woman that hot was sitting on my cock! Then a bit of doggy which was even better. Then a bit of spooning and finished with Mish again with a very hard ejaculation felt amazing.

Quick tidy up and on my way can not recommend this beauty enough would make anyone's day.
