The Premises:

Nicola's flat is very clean, parking was easy, the neighbourhood is very safe. Also very discrete.

The Lady:

Nicola is beautiful. She has the body of a fashion model and everything is perfectly proportioned. I could happily extol on her shapely legs, firm bum, beautifully pert breasts and shaven pussy. The pictures on her Twitter account are accurate. If you saw her in the street you would turn round.

The Story:

it has been a year since I last saw Nicola, back then she worked in an agency. Now an independent. This was a a great meeting. A warm hug, gentle kissing, turning to French kissing for several minutes before Nicola suggested she take off my clothes, which she neatly hung up before she undressed.

Wow what a slim sexy woman. I was rock hard. Then more kissing and fondling. I needed to kiss every bit of her flawless body. She offered a blowing which was exquisite.

I returned the favour and she tasted divine. Took it slowly, only speeding up as her moans got louder. Then onto cowgirl, doggie and finally missionary.

After I came, a massage and a chat. A very nice lady.
