The Story:

Dear Madam Ego

I had a great experience at Ego Massage. Jamie, who is a lovely looking English girl with a great body, was very professional and friendly. The whole place had a lovely and relaxing atmosphere and was hidden away in an Old Coach House off of the main road.

The massage itself was done very well. I loved the way Jamie focused on my inner thigh/ back and head.

Had a lovely conversation with Jamie as well which put me at ease. This was a real genuine girlfriend experience with great eye contact and laughter that made you feel you were her boyfriend.

I found it much better value and far less stressful than going into London.

The price was also great value considering the 5* treatment I received.

Thank you, Jamie.

Please can the owner/owners of Ego Massage reward her in some way as I would be most grateful.

Will be back soon!

Chris
