The Premises:

This place is a parlour opposite the British oak pub in stirchley, accessed via a small alleyway between the next terraced building on the main pershore road. First visit to a parlour and must admit I was pleasantly surprised, clean and tidy premises.

The Lady:

Very tall lady, dark hair a few tattoos bit of a belly not a looker, but neither am !! I was more than happy with her .Dressed in nice black lingerie and a very friendly down to earth Midlands lass. Age I would estimate 35-40.

The Story:

Greeted at door by sapphire, and said see was only lady available at the moment that was fine by me handed over the paperwork and led to a room upstairs undressed while she left to stash the cash. Joined me a couple of minutes later ,bit of small talk then on to the bed where she slowly brings me to erection, then on with the rubber and proceeds to give me oral which was very good after a while we go to sex in missionary which I enjoyed nice view of her bangers helped me on the way to finish line. A quick clean up and chat and escorted to the door by sapphire. Overall a very good service delivered by a lovely down to earth lady, I will return as at £35 for 20 mins you can't go wrong, definitely vfm.
