### The Premises:

Mimi works from a flat near Piccadilly circus, and directions are easy to follow and simple enough to find. Lots of stairs to climb but when you reach the top it is worth it.

### The Lady:

Really attractive Chinese Lady with long black hair, so much nicer in the flesh than her photos. Slim figure with a cute little bum and a small but very ample pair of boobs, a few tattoos but nothing too much if you find tattoos a turn off. Just Stunning sums up Mimi.

### The Story:

Well I am not sure where to start, I have been one of those guys who normally browses punts and leaves little reports, however that has changed.

I had been looking at the profile of Mimi for some weeks on AW and waited to see if any reports came back, but nothing, as AW had blocked bookings being made due Covid 19. As Mimi's profile states £70 / hour and remembering what mummy and daddy always said, if it looks too good it probably is, not this time. My parents have not got a clue when it comes to pretty asian ladies, and that is something I know more about than them.

I will say that there is actually a little history out there on Mimi if you know where to find it, I will just say look on UKP, there are mixed reports but as the positive outnumbered the negative I decided to go for it as Mimi is not priced too high. Call it TOFTT if you wish but there is no risk here. A point worth noting is that Mimi offers a 1 hour service which is basically half service and half massage.

For this price you struggle to get a basic massage with HE anywhere across this city, bearing this in mind it was worth getting on the tube and heading into the city, after all there are many time wasting ladies charging £70 or more for half an hour. There are a few comments on UKP talking about Mimi and her age, the standing joke was 25 going on 35. Well I would guess Mimi is a little economical with the truth when talking about her age, and she has every right to as I think she could pass for UNDER 25, this should start more chat on UKP, I would comment on there but I am locked out.

Mimi as I said offers massage / sex service, sex is with condom only. Her service is half and half so I was unsure if it was better to get the main event over with and then enjoy a massage to finish, good choice. I could not believe how sexy a little body Mimi has, I would never get fed up caressing this or making love to her. One of my best experiences with someone with 0 feedback on AW and I have been punting for many years, you just have to remember it is a one pop stop with massage, not a quick rub down as you have 5 minutes left.

I have taken a huge risk sharing this with you as I will most likely never get a booking when I try to

return as I will.
