The Premises:

Located in acocks green,one bed flat opposite aldi store on the warwick road.good transport links train station not far away and plenty of buses, pay and display carpark on Oxford road.busy village so so you fade into the background. nice clean spacious one bedroom flat located above shops.

The Lady:

Very beautiful lady,5ft 3in, size 8,age I would guess about 30, but could easily pass as younger, hard to put an age on Chinese ladies as they have such good skin. not the lady in the Viva Street photo as they change the lady every week.

The Story:

Great experience from the start to finish.booking is done remotely,call when you arrive and you are buzzed into the premises, upstairs to flat. This might put some off as you are greeted by the Chinese man who looks after the ladies,told to remove shoes on entry. He usher's you into the flat,you go to bedroom area while he stays in living room. Greeted by April in bedroom,hand over cash which she passed to minder. Very much a girlfriend experience,no lip kissing,but loads of hugs and very friendly,strip off and both on to the bed start with oral on her,next on with condom and gives me a good bj,then on to cowgirl,followed by Mish and then on to doggy ,eye contact was maintained throughout the meet which I love , finished on the half hour,dressed quick chat and hug and on my way. A great experience from start to finish and easily the most beautiful lady I have had the pleasure to spend time with, it is pot luck here as new lady every week,but based on my experience I would highly recommend.
