The Premises:

Spacious one bedroom flat in the Bayswater area. The place was clean and the bathroom had a good shower. The bedroom was a good size and had large mirror attached to the wall near the bed.

The Lady:

Nicky is a good looking, young Thai lady with a nice curvy body, and enhanced breasts. The photos of her on the site are accurate.

The Story:

Nicky greeted me wearing white stockings and suspenders, with matching white bra and knickers and she looked super sexy. I was offered an assisted shower, but I wanted her to remain wearing her sexy white lingerie and Nicky was happy to oblige.

After I had my shower and returned to her room, Nicky announced that she would look after me and boy she did not disappoint. She started with lots of deep, passionate french kissing (with plenty of tongue), then she moved down to give me a superb bbj, with lots a gentle ball licking and sucking, and a nice rim job. I then returned the favor and licked her pussy, which was cleanly shaven and a delight to eat. Nicky was about to cum from my cunnilingus session, but she wanted to have sex. So she gave me another bbj to get me nice and hard, then she popped a condom on and rode me until she came. More kissing followed, then I asked if she liked to do anal and again she obliged, and she bent over in front of her large mirror so both of us could watch having anal sex. After several minutes of anal sex, Nicky wanted to give me another rim job, which I was happy to accept. And then Nicky gave me another bbj with lots of gentle ball licking which finished with CIM.

I had a nice post sex massage, then and other shower. Before I left Nicky kindly gave me a drink and some chocolate for my journey home (and restore some energy).

Nicky is highly recommended and I look forward to seeing her again very soon. Also Nicky speaks very good English and is easy to talk too.
