The Premises:

Near Chelsea Harbour. Small but stylish one bedroom apartment. Very clean and modern.

The Lady:

Very attractive scottish lady. Gorgeous face. Beautiful lithe, supple body with fantastic enlarged breasts - you can easily believe she used to be a model. See her twitter profile to get a good indication although she is way better in real life. Great legs too. Wore a short flimsy summer dress, 5 inch stiletto heels and nothing underneath. Eveytime she moved the view was fantastic.

The Story:

This was my first appointment post lockdown easing so i was really keen - although that's not an excuse to rush matters, but you know what i mean....

Khloe is very chatty and engaging and even though it was the first time i was seeing her she made me feel like we'd known each other for ages. Very pleasant and engaging for sure.

The apartment is semi-studio so it wasn't long before the house tour lead to the bedroom.

I asked her to stand in front of the full length mirror as i stood behind her and untied the few string fastenings on her dress, letting it fall effortlessly, before stepping her out of it in her nude glory. Her body is spectacular i spent an age massaging her massive tits as she rubbed her bare arse up against my bulging crotch. Absolute heaven to be manhandling those orbs.

I would have liked to have fucked her standing up but it may have been a little precarious so we moved to the bed where i grinded her long and slow in the missionary position. She is quite vocal and encouraged me on to give her a good shafting.

I was getting so turned on I wanted to fuck her harder. Positioning her in front of the mirror in the doggy position i held her tight little waist and i gave her a really good pounding as she moaned and groaned between the expletives. Her sexy body and breathless expression made for the most incredible view.

Maybe it was because it was the first fuck since lockdown but.....Earthshattering climax within minutes! And drained for the rest of the week!

What can I say, an exceptional lady. Personable, pleasant and polite she's a joy to be around - add her killer body and good looks and its the perfect combination. Cant wait to return.
