### **The Lady:**

A well built, well proportioned lady with dark hair. Her profile pics and descriptions are accurate

### **The Story:**

After I had given Lucy some licking, sucking and rimming she sucked me to rock hardness. Then it was a round of anal mish at the edge of the bed.

After a break I then had her bending over a chair for some vag doggy then kneeling on the chair for more anal. Was finished off by hand and mouth.

All in all a good way to spend lunchtime.
