The Lady:

Lola! What can I say? She is simple stunning! Totally gorgeous face and an absolutely stunning body.

She is a perfect size 8 figure with a cracking pair of D cup boobs.

The Story:

I was shown into the room by the maid and offered a drink, shortly afterwards a vision of beauty walked in with my glass of water. Lola was wearing some stunning lingerie and high heels, my chin hit the floor and my cock stood to attention.

Lola greeted me with a very passionate kiss and once the paperwork was out of the way we started to undress each other. She then led me to the bed and she sat on the end taking my cock in her mouth, she gave me the most amazing blow job, after a while I wanted to return the favour, so I lay on the bed and Lola straddle my face and I was able to taste her very sweet and perfect pussy.

Lola turned to me and said that she wanted to fuck, it would have been rude to decline the lady.

She climbed on top of my cock and started to ride me, kissing me passionately whilst she did, I then sat up and held her while she rode my throbbing member, her pussy was so amazing and tight it didn't take too long before I exploded.

Lola then offered me a massage which was very lovely, then we chatted about what's that going on in the world, all the time we were talking she was wanking my cock, then she went down and gave me another amazing blow job!

A wonderful time spent with an amazing young woman.

I will be booking to see her again very soon.
