The Story:

As an occasional punter, I've always thought of Annabellas (and House of Divine in London) as the gold standard for parlours. Great choice of women giving a great service. Unfortunately, Lana was nowhere near that standard. She's got the body, but that's it. Everything else was wrong. Lot's of basic stuff (eg doggy or reverse cowgirl) was off the menu. A poor attitude and she rushed me to finish. I'd try Annabella's again as there's a lot of goodwill in the bank, but can't recommend Lana.
