Details of Service Provider:

Profile Name: Taboo Role Play, Fetish & Submissive Escort

Website: <http://purelilylondon.com>

The Premises:

Pleasant, clean, airy and light discreet top floor flat in Pimlico near Dolphin Square.

The Lady:

Pleasantly spoken well-built young woman, not slim, twenties, with very pale skin and reddish hair, could be mistaken for Irish, speaks with a light East European accent, reasonable command of English.

The Story:

Genuine submissive and an excellent role-player, likes to be directed and controlled, gives great bj and would attract full marks but for failing to provide the full time agreed.

Having negotiated two hours arrived at the top of the agreed hour. No clock on display. The lady referred to a clock kept out of sight in a drawer. Eventually she indicated time was up. On the point of departure after retrieving my watch noticed and pointed out the time was 15 minutes short. Her responses were it wasn't 15 minutes to the hour (showed her the time on my watch); I had arrived early (no); I had arrived late (no); then it was all a huge joke and I could smack her bottom next time; finally I had terminated the session early because I wanted to (as if).

This lady really ought to come with a short-time warning so that disqualifies her from an outright positive recommendation IMO. On the other hand her services are too good to warrant a negative. IMO a neutral recommendation is fair.
