### The Premises:

A typical suburban house in a quiet neighbourhood. Fairly discreet entry and clean inside.

### The Lady:

A Chinese lady in her 40s. She was fairly slim and was wearing a school/cheerleaders uniform. The uniform was very similar to those worn by Japanese girls, but she was definitely Chinese.

### The Story:

I primarily went for a massage. That was performed on a bed and it was firm and relaxing especially around my neck, back and shoulders. Towards the end the strokes became more sensual and there were a couple of credit card swipes. I turned over and we had covered sex in three positions. Her on top, missionary and doggy. I asked for a hand job finish and that was the only negative. She couldn't resist squeezing me too hard especially when I came.
