The Story:

Was met at the door and was pleasantly pleased on her appearance. Long hair , high heels and huge tits and was told to follow her upstairs. Thought I was onto a winner here but as soon as I handed over the money things went downhill. She touched me like I had the plague and gave me the worst covered oral ever and then asked if I wanted sex to which I replied off course. She climbed on me and told me to hurry up bearing in mind I'd paid for a half hour and this was hardly ten minutes into the booking. I couldn't come with her on top so I suggested I get on top of her which she grunted ok hurry up. Worst punt iv ever had and definitely won't visit again.
