The Story:

This was a first meeting with Lydia.

I started by giving her some sucking and licking and 3 point stimulation which she enjoyed.

Once she had sucked me rockhard I had her on back at the edge of the bed for some anal pile driving.

For round 2 I started by spanking her bum. Then doggy and finished off with more anal and hand and mouth to completion.

All in all a very good first meeting and I hope to see her again the next time she is in London.
