The Premises:

Meet was at the MKE premises, convenient parking very nearby and all seemed clean enough

The Lady:

Candy's images on the MKE site do her justice: a very attractive young woman with a light tan and a lovely figure.

The Story:

I was let in and shown straight to the room as well as offered a drink. Candy came in a few moments later looking fantastic in a red dress and heels. She's certainly easy to talk to - she had to remind me about paying after a while, I was that comfortable chatting with her! I started with a short massage before moving onto 69 (Candy tasted nice and fresh) which was a first for me but it seemed we both enjoyed it. We then went onto sex in a couple of positions with highlights being Candy whispering some choice words in my ear and the view of Candy's curves in doggy - that'll stay with me for some time! She's definitely recommended and I'm surprised she doesn't have more reviews.
