The Premises:

Her apartment is very private and discreet, it is not overlooked by any neighbors . It is down a private tarmac road, There is plenty of free parking spaces. Her apartment is very clean, warm and spacious with a shower and plenty of clean towels. Her bedroom is equally clean and tidy with three large mirrors fitted to various walls.

The Lady:

an absolute gorgeous girl just as her profile and pictures show. In fact when you have seen her pictures and think how stunning she looks, you are just blown away when you meet Laila in the flesh.

The Story:

From when you first see her, Laila is extremely welcoming, a proper down to earth Yorkshire Lass, and whichever outfit I have seen her in she looks amazing. Her skills in the bedroom are fantastic, she is at the top of her game. Read her profile, it is so right, Her pussy is to die for, she tastes divine, so delicious, face sitting and watersports just have to be experienced.

This Lady is one of the best, and I've seen a few
