The Premises:

Her place is easy to get to the agency gives good communication with directions too so not a problem getting there its a block of flats just outside Manchester.

The Lady:

Stunning! Her profile pics look good but in person she is hot tall slim toned brunette gorgeous face very friendly and warm she clearly enjoys what she does.

The Story:

Got the instructions on where and how to get to the flat and details on how to get in. Proceeded to knock on the door a gorgeous brunette welcomed me in. Asked if I wanted a shower and drink I said yes to the shower.

Got out and went to her bed where she was waiting she started off full on kissing with FK and DFK

we explored each others bodies for a while still kissing and she removed her bra and I removed my boxers she kissed down my body and started on my balls first. Then moved onto the big fella and wow can she give a blowjob! I nearly came twice so suggested we went into 69 she happily accepted.

We had amazing 69 for a while and she even commented how good I was, winner!

She got on top and started riding me hard! You can tell she's really into it I nearly came again this lady is just too good!

we switched to doggy she really enjoyed it I suspect its her favourite position so I was happy to please her for a while.

Finally I know I was ready to cum so asked to change to missionary pounded away for a while till I finished in the bag.

We had a nice cuddle and chat on the bed after she's a really a genuine girl who cares about your needs.

All in all fantastic session never experienced a full on passion session with a woman like that before will definitely be going back highly recommended.
