The Premises:

I recently moved to London so my sense of relative quality of locations is poor. It's a 4th floor apartment very close to Marble Arch station. Beautiful 2 bed room apartment with a lot of space, butterfly decorated but they have no batteries - it still felt cosy and calm.

The Lady:

She was petite, short and Vixen shaped. Her legs stood out for me as quite elegant and model like. I used to like big tits but now, I like them in that size 34c, very natural. The photos are 3 years old as she confirmed and her hair is no longer blonde, nice grey when we met, but she likes to play with the hair colour.

Really tight bum with a nice thigh gap, and beautiful pussy if you are the type that love eating :)

The Story:

Tbh, I am very new to using escorts and it is pretty addictive ngl, money drains very quickly, and I am not exactly rich. I used to go for cheaper independent girls before but 8 out of 10 my experience has been bad and short lived.

My first time trying a professional agency in London, as I just recently moved as well, and was anxious for my first visit.

Agreed on 7:45pm but she was a bit late finishing her shower and took good 10 minutes to let me in, then waited another 15 minutes to get ready.

I was impressed. Especially since I had bad experiences recently, I was almost begging for one lady to be nice, I am easy going myself. She didn't disappoint.

Started off with Owo, then I couldn't resist but do a 69 as I was thirsting for her cute well shaped pussy. Took her lingerie off and sat on me with an angle to give me a view as she sucks. I have never done that before, it was cute.

I am embarrassed to say this, but I switched to missionary and came in 5 minutes,. She was my perfect specification for girl. Her personality really takes you in, but I wish I focused on more action with her, which I plan to do on the next visit.

We smoked at the end having a warm conversation about life, bought me a bottle of water and fancy Calypso Paradise punch lemonade near the end. It just felt very natural and cosy being with her. She was class in every way, very polite and considerate.

She hugged me warmly at the end, feeling that oxytocin as I grabbed her ass. My god!! Returning
