### The Premises:

Her apartment is a few minutes walk away from Guildford train station and is very easy to find. It is right next to the train station car park. The apartment is very clean and there was a scented candle burning. I was offered a drink and had a nice shower.

### The Lady:

Cara is a gorgeous petite raven haired Romanian with the most beautiful pert breasts, a nicely trimmed pussy and a fantastic bum. She has a very friendly relaxed attitude. Plenty of smiles.

### The Story:

I had requested when I booked that Cara answered the door naked wearing only high heel shoes and she did exactly that. A beautiful sight to behold. We entered the bedroom and after sorting out the money, I had a shower and then lay on the bed. Cara asked me what I wanted and I said deep throat, which is her speciality as I have learnt from my previous 3 visits with her, and sex. It wasn't too long before my cock was in her mouth for some gorgeous OWO and it was soon growing. Cara then gave me some lovely deep throat and it was nice looking in the mirror watching this. Soon the blow job turned into a 69 and she tasted delicious. Then on with the condom for some missionary sex. That was nice and slow and after a few minutes, Cara asked if she would like her on top. Of course, I said. While she was riding me, I had a little suck on her perfect nipples. We then got on to my favourite part of the session. Cara turned and and stuck my cock in her from behind while I was lying down. This was so sensual and something I'd like her to do to me again next time I see her. Sensing time was running out, I went back on top for some more sex before I asked Cara for some more OWO before cumming on her tits. I had a shower and some conversation with Cara before heading back to the train station with a big smile on my face.

A perfect half an hour and I look forward to seeing Cara again next month. For those of you who punt in London, you may remember Cara when she worked at House of Divine under the name of Michelle and had a reputation as giving the best blow job in the business. Well, I can tell you that nothing has changed except the location!
