The Story:

Felt the urge and wanted to try someone new. Phoned in and booked April. Got there and was put into the smallest room downstairs. It was boiling hot and was thinking of asking for a change of room. But when April walked in with that smile, she put everything at ease.

Started with FK with hands exploring the right areas. It was soon leading to the perfect GFE. All the services were on offer with eagerness and enthusiasm which is becoming a rarity these days sans few!

Loved every minute with her and would soon be back.

She is going to be a busybee and that is for sure.
