The Premises:

A private flat in a small block not far from Aldgate East tube station. Entry was via intercom/buzzer and it was very discreet. It was very modern inside and I had a shower before the session.

The Lady:

A young, busty Polish girl. I think the profile pictures are accurate.

The Story:

I enjoyed the session, but Sara was a wee bit cold in personality. She looked great though when I walked in. She was wearing black hold up stockings and a basque as pictured. The session commenced with covered oral with a lot of hand contact. I got the impression she would have loved to finish me off with that alone, but oral never does a lot for me. I asked for sex in doggy position and she put the condom on with her mouth. She ticked me off a couple of times for touching the condom. Before the sex I enjoyed handling and sucking her very ample and natural breasts.
