The Story:

There are lots of fantastic ladies at MKE, in MK in general in fact, but we all must have our favourite right? Well Louise is mine! I think I have seen her 7 or 8 times now. She's so sexy, so pretty and so much fun. Sex with Louise is exceptional. It always feels very natural, with enthusiasm and passion, always a variety of positions and tempo, use of the mirrors in the room; whatever seems right at the time. Her oral technique is wonderful, lots of eye contact, she loves receiving it as well. She's always happy to lead or be led, again, whatever suits the moment. Every visit has been different, but each one fantastic and full of laughter. I really do enjoy visiting her and always look forward to the next time, she gives great VFM and never fails to make me smile.
