### The Premises:

A smart block of flats , plenty of on street parking .  
Felt very safe and secure .  
The flat was clean tidy and welcoming. The bed luxurious .

### The Lady:

Jennifer , is absolutely stunning . . He pictures do not do her justice . She herself is a bit worried about her age . I'm telling you guys , that many women in their 20s would die for her figure .

She is petite , with curves in all the right places and a naughty twinkle in her eyes .

### The Story:

After doing the paperwork we retired to her bedroom . It's dominated by the bed . It's huge .

We laughed and joked and had fun . She's talks fir England which could be annoying , but it's not . Her voice is sexy as fuck . And I did find ways to shut her up.

She loves oral , both ways , uncovered , and I think I'm experienced enough to say she is one of the best I have ever had in that department .

We rolled around and changed positions . She loves playing with herself which is immensely erotic . I eventually was persuaded to cum all over her tits . ( it didn't take much persuading .lol )

This lady in life and absolutely dirty bitch in the bedroom is the perfect punt .  
Gents look after this wonderful person and she will look after you .  
In 40 years of punting this is one of the best I have had .
