The Premises:

5 me walk from Victoria tube station.

The Lady:

A very airy, clean, well put together English lady. Delightful curves, blue eyes, and DD's to send you dribbling all the way back home

The Story:

Genuine non pushy but aiming to please. Started with a kiss then onto various oral with in different body positions with all the views and stroking of Amelia's curvey bum & legs in those sexy stockings.

So turned on, I went inside her from the front- she looks so inviting and virgin at all times, then went into doggy for a longer duration as I enjoyed dominating her from the back. Finally she had the opportunity to ride me and a good job as I finished up
