The Premises:

End terrace opposite British oak pub on main pershore road in stirchley, no parking on main road but plenty of space on side roads. only a mile from where I live so always walk, easy to access via entry on side. Surprisingly big inside, clean and spacious. Area is safe, and nobody pays any attention to people leaving and entering this establishment.

The Lady:

Tanya is of Jamaican origin, a lovely curvy ebony lady. about 5ft3in in height, size 12 to 14, long dark hair, and a cracking pair of large natural bangers! age wise I would guess at late forties early fifties. very down to earth friendly lady. I found her a very attractive and pleasant lady.

The Story:

Offered a massage to start with, offered talc or oil, opted for oil. very good relaxing massage on back and front. then Tanya gives me a hand job while I suckle on her lovely boobs, I then proceed to give her oral which she enjoyed, next she rubbers me up and proceeds to give me a very good blowjob, then to finish sex in Mish which was great seeing those Nellie's wobbling around, we overran by five minutes and the maid was going spare!, but Tanya allowed me to finish which I was very grateful for. quick clean up and on my way. would highly recommend a lovely lady, great service, definitely in my top three punts. would definitely see her again!
